_____)	

Pursuant to a stipulation of the parties, through their respective attorneys, this Court previously stayed the sentencing schedule in this case and ordered the parties to file a further status report or stipulation, indicating whether the stay should be continued.

The parties, through their respective attorneys, stipulate and agree that the currently-scheduled sentencing and pre-sentence report schedule be stayed indefinitely, to permit Mr. Mireles' continued cooperation and debriefing in the underlying case. The co-defendant in this case currently scheduled for a partial change of plea on May 13,

2005. In addition, this Court has scheduled a jury trial for October 31, 2005.

Mr. Mireles remains out of custody on pre-trial services supervision. Mr. Mireles originally planned to self-surrender to the U.S. Marshal's office in Sacramento in mid-March to begin service of whatever sentence this court may ultimately impose; however, in light of the current unresolved status of the co-defendant's case, counsel advised Mr. Mireles not to surrender until such time as the trial status of his co-defendant has been resolved. Counsel for plaintiff United States and defendant Mireles will confer on or after May 13, 2005, and determine an agreed-upon date for Mr. Mireles's surrender.

On or before June 1, 2005, the parties shall file a further status report or stipulation indicating Mr. Mireles's planned self-surrender date and whether the stay of his sentencing should be continued. A proposed Order to this effect is attached.
